

**SUMMARY FOR**  
**Inpatient Psychiatric Services for Under Age 21 Update No. 53**

Policy is incorporated into the Inpatient Psychiatric Services for Under Age 21 provider manual describing on-site inspections of care and retrospective reviews beginning July 1, 2004 of services provided to Medicaid individuals under age 21. The reviews will verify medical necessity for services. Reimbursements will be recouped if services are found not to be medically necessary.
